INTERNATIONAL KEYNOTE SPEAKERS

DR CHERI BLAUWET

Dr Cheri Blauwet, MD is an Associate Professor in Physical Medicine and Rehabilitation at Harvard Medical School, the Distinguished Chair in Physical Medicine and Rehabilitation at Brigham and Women's Hospital, and the Chief Medical Officer of Spaulding Rehabilitation Hospital. She is an attending sports medicine physician at Mass General Brigham, where she also serves as Founding Director of the Kelley Adaptive Sports Research Institute. Dr Blauwet is also a former Paralympic athlete, she competed in three Paralympic Games and brought home seven Paralympic medals. She is also a two-time winner of both the Boston and New York City Marathons.

DR DYLAN EDWARDS

Dr Dylan Edwards leads the Moss Rehabilitation Research Institute (MRRI), consisting of 10 Laboratories/Programs in Translational Neurorehabilitation science, which is part of a U.S. News and World Report top rehabilitation hospital, MossRehab in Philadelphia. At MRRI, he is also Director of the Human Motor Recovery Laboratory. Dr Edwards also holds appointments as Professor of Neuroscience and Director of the NeuroRehabilitation and Robotics Laboratory at Edith Cowan University.
